The drawings include dimensions for sign size, mounting height, and base specifications. Key dimensions include sign width (1.25, 1.50), sign height (0.75, 0.80), mounting height (h), and base width (1.35x0.60, 1.20x0.70). The side views show the sign's profile and the mounting structure, with dimensions for the sign's thickness (0.05, 0.10) and the base's height (0.10, 0.15).
